

GREEN E.Th.I.Cs is looking for young artists!

ARE YOU A YOUNG VISUAL ARTIST?

WOULD YOU LIKE TO

- > **TAKE PART TO AN INTERNATIONAL ARTISTIC EXPERIENCE ?**
- > **MEET YOUNG ARTISTS FROM ALL OVER EUROPE ?**
- > **BE PART OF A EUROPEAN PROJECT AND CONTRIBUTE TO THE ENVIRONMENTAL CAUSE ?**

The **GREEN E.Th.I.Cs** project is looking for 18 young visual artists to create the visual identity of the **GREEN E.Th.I.Cs GAME**.

What is GREEN E.Th.I.Cs ?

GREEN E.Th.I.Cs - *Green Experience through Theatre Inspiring Communities*

is a Social and Community Theatre project winner of the Creative Europe Large Scale 2021 call and co-funded by the European Union. The project is developed by an interdisciplinary partnership of **18 organizing Partners in 12 European countries**, including theater companies, universities and research centers, large cultural centers, social bodies and public institutions.

GREEN E.Th.I.Cs aims to **contribute to make our society more sustainable** in terms of ecology and CO2 emissions, through artistic activities, and particularly theater, while **involving citizens using the arts**. The project is developed through cultural initiatives of civic engagement aimed at creating awareness on the topic of climate change and promoting critical thinking and proactivity of European citizens with respect to the European Green Deal.

HOW?

By the **GREEN ETHICS GAME**: an **interactive theater show** on environmental issues that will use the **performing arts to promote critical thinking and awareness on the themes of the climate crisis**. Between 2024 and 2025, the performance will tour 120 cities across Europe, reaching over 45.000 citizens.

The call for artists

GREEN E.Th.I.Cs is looking for 18 international young visual artists to **create the visual identity of the GREEN E.Th.I.Cs.GAME !**

Each one of the 18 partners of the GREEN E.Th.I.Cs project will select **1 young visual artists** to take part to **an international creative workshop, where the 18 young artists selected** will spend **5 days in Stackarp, Sweden (March 3rd 2024 - March 7th 2024)**, working together with a team of senior visual artists and peer international artists in order to **create the visual identity of the GREEN E.Th.I.Cs.GAME** in its LIVE and BOARD GAME version.

During the workshop, the artists will be encouraged to explore both traditional and digital mediums (provided they bring their own equipment such as computers or iPads).

All costs of food, accomodation and travel expenses will be covered by the project throughout scholarships or reimbursement for each selected candidate.

Requisites

The candidates will be selected upon selection of:

- Curriculum Vitae (in english)
- cover letter (in english)

The following characteristics represent a prerequisite for selection:

Age: **between 18 and 26 years old**

Linguistic competence: **ability to speak english fluently**

Artistic experience: **the artist should possess a track record of successfully completing art pieces. It is crucial for the project that the artist demonstrates the ability to see a piece through to completion. Additionally, if the artist opts to utilize digital media on a computer, they are required to bring their own equipment.**

HOW TO APPLY

Upload the form CURRICULUM VITAE and COVER LETTER in english, in this online form:

<https://forms.gle/EUinTMnNRgCvs9W97> **within 23:59 PM of January 21st, 2024.**

Results will be issued within January 31st 2024.
